### **Re: D.T.E. 01-20 – UNE Rates – Update to Biweekly Discovery Response Status Log**

Dear Secretary Cottrell:

On behalf of AT&T Communications of New England, Inc. ("AT&T"), I am notifying you of two changes to AT&T's First Discovery Response Status Log, filed with the Department on June 15, 2001. These updates represent the only changes to the June 15 log:

1. Regarding Verizon Information Request No. 3-21, Laurie S. Gill, counsel to AT&T, mailed a letter to Verizon Counsel Bruce Beausejour on June 22, 2001. The letter stated that AT&T had been unable to locate any documents responsive to Verizon's request. Ms Gill offered to pursue the request further should Verizon provide further information.

2. Regarding the Information Request No. 1-1 filed by the Department of Defense and all other Federal Executive Agencies, AT&T intends to respond no later than the response due date of July 2, 2001.

Please date stamp the enclosed copy of this letter and return it to the waiting messenger. Thank you for your attention to this matter.

Very truly yours,

Kevin R. Prendergast
